

DISNEY'S THE LITTLE MERMAID CAST LIST

Congratulations to the amazingly talented young performers in the casts of The Little Mermaid. I tried my best to accommodate all the special requests. I got most of them, but some were just not workable. All of you did a fantastic job at auditions! I can't wait to work with all of you this summer. You are each cast in the perfect role for you. Now it is time to have fun. Please excuse misspellings of names. I was trying to read handwriting. This will not be the list we use for program, etc. All names will be checked prior to that. Please let me know immediately if someone got left off. There was a lot of confusion about who was going to do it, last minute changes, etc. Rehearsal time for your cast is listed over the cast list.
