

MASH CAST LIST

PLEASE READ! Congratulations and thank you to all the very talented people who auditioned for M*A*S*H. You gave me some wonderful choices. **Some of you would have been cast but did not get cast due to conflicts or the unwillingness to accept an ensemble role.** We will have a company meeting and read-through on Monday, October 1 at 7:15. Please let me know if you can't be there or are no longer interested in doing the show. Please don't drop out! This is going to be an incredibly fun show! I apologize for any name spelling errors. I had a hard time with some of the writing. -
